3	1.1	Sprint 1 (R1)	Epic 1	Story	Add new "Progress Status" field to support all Request Types	As a Stakeholder of request, I want a lower-level status than "In Progress" that represents a planned period of 2 weeks or less so I can have a greater insight to work in progress. If planned duration of request type is 14 days or less, "In Progress" will be the sole value listed as "Progress Status" value.	Suppliers shall update this field on the back-end to ensure accuracy of data.		In Progress	21	5		Ryan	6/
4	1.1.1	Sprint 1 (R1)	Epic 1	Task	<Task>	<Describe the work needed to complete.>							Ryan	
5	1.1.2	Sprint 1 (R1)	Epic 1	Task	<Task>	<Describe the work needed to complete.>							Ryan	
6	1.2	Sprint 1 (R1)	Epic 1	Story	Add and capture Progress Notes when changing Progress Status	As a stakeholder of a requests, I want the Supplier to enter details of progress status changed to inform to inform and assist Stakeholders of needed actions/next steps	Would like this to be required when changing the Progress Status value. It is a blank each time the Progress Status change. The Front Door Team needs ability to update this field. Note: This capability currently exists for FD Team Members, and we want to keep that for all status changes (including outside of the Progress Status Field). Field should be limited to reasonable amount (256 characters) text. Display previous comments somewhere else.		In Progress	5	16		Ryan	6/
